Annotation: answer these questions about each source.

(If you can't answer some of these questions, this might not be the best source!)

1. Tell how you found this source.
2. Who wrote this source? Can you find out whether the author is an expert? Have they written other sources on similar topics?
3. Who published the source? Is it a well-known company, university or organization that you can trust for good information?
4. Why did you choose THIS source of the many others that are available?
